Letter No B246/L.B.A1-42 dated 12th July 1943 from the President, Dt. Board, Shimoga through the D.C. Shimoga requesting sanction, in the circumstances stated, the opening of a Vet. Dispensary at Kulambi Honnali Taluk.

1) Subject

2) The President of the District Board, Shimoga states that one Sri Hanumanthappa of Yarehalli, Honnali Taluk has offered himself to donate a sum of Rs 3000/- for the construction of a Veterinary dispensary building at Kulambi and also another sum of Rs 1000/- towards the initial charges of the dispensary and that the Board has agreed to bear their quota of the maintenance charges of the dispensary. The donor has, at present, deposited a sum of Rs 2000/- for the construction of the building. It is also stated that the 1/4 P.S share of contribution towards the cost has not been pressed as per the observations made by the Minister R.S.G & P.H who presided over the District Board Conference in May 1943.

3) Before deciding the question of sanctioning the dispensary to the place, in these circumstances, it appears that information on the following points is necessary.

2) whether the construction work of the building will be undertaken by the donor himself or it has to be carried on by the P.W.D as usual.
4) Besides it is not known if, in the opinion of the Director of Agriculture, the dispensary is necessary in the place at all.
5) In these circumstances, it is for consideration whether the above information may not be called for from the Dir. of Agriculture before the matter is submitted for orders

Draft for approval: It has been mentioned in the draft that the recurring charges may be met equally by the Govt. and the Dist. The Superintendent of Veterinary Services in Mysore who was consulted re: the need for a Dispensary at the place, opined that a Veterinary Dispensary at the place is a real and long-felt necessity. The matter was placed before the Board at their meeting held on 3-8-1942 and the Board resolved that they are agreeable to bear their share of the maintenance charges of the Dispensary. The question of the Village Panchayet's share of contribution has been under correspondence with the Deputy Commissioner, Shimoga. The matter ~~had come~~ came up for discussion at the recent District Conference held in May 1943 and the Minister for Local-Self Government & Public Health who presided over the Conference was pleased to observe that the Village Panchayets may not be burdened with these charges and the Government may be approached to bear the same as has been done in respect of some dispensaries in Hassan Dist. The Minister for Revenue who presided over the District Conference of 1942 was also of the same opinion and observed that a recommendation

may

may be made to Government to bear half the cost, the other half being borne by the District Board. I therefore, request that sanction of Government may kindly be obtained, to bear half the recurring charges of the dispensary to be opened at the place and to the resolution of the District Board agreeing to bear their share of cost.
